RE: TESTING EXEMPTIONS VOLVO

Dear Mr. Bunker:

Volvo Car USA, LLC (Volvo) is herein requesting a testing exemption granted under authority of Section 203(b)(1) of the Clean Air Act, as amended. Volvo is requesting a testing exemption to

Ex. 4 CBI

Ex. 4 CBI

accordance with subsection 85.1705 of the Code of Federal Regulations, Volvo submits the following information to assure that the vehicles will be used for purposes consistent with Section 203(b)(1) of the Act.

1. The maximum number of vehicles involved will be eleven.
2. The vehicles are non-U.S. specification vehicles that do not fully comply with all U.S. EPA emission requirements.
3. The vehicles will be owned and operated by Volvo (not sold or leased at any time) for testing, research, investigations, demonstrations and technical training. In approximate terms, the vehicles will be used as follows:
